CONCERTO DI SEDIE BENCH

\$4,680

DESCRIPTION

Playful and unconventional, this bench will create a striking focal point in an entryway or living room in a rustic or industrial-chic decor. This exclusive design features a rectangular seat of natural iron finished with a protective coat. Four backrests fashioned of wood stand out in a daring balance of contrasting material, shapes and style: the silhouettes are inspired by the traditional Tirol chairs and one is upholstered in fabric. A small seat cushion made of Ralph Lauren wool fabric in a classic tartan pattern completes this exclusive piece.
