Dall'Agnese

CONCRETE TALL CABINET

\$5,680

DESCRIPTION

A functional and aesthetically alluring alternative to the traditional storage furniture, the Concrete Cabinet features a wood frame with 4 multi-faceted, etched doors with a resin effect recalling a cracked concrete wall. Featured in dark gray, this contemporary piece stands on the classic Dall'Agnese's Lama metal base and spacious interior with wooden (or glass) shelves, both in dark gray matching the exterior. Available in all catalog colors, both lacquered and with a resin-effect finish. Push-pull door opening.
