DESCRIPTION

A delicate and graceful piece that embodies luxury and elegance, this chandelier is made of Venetian glass with six curved arms crafted with "rigadin ritorto" technique (twisted-rib pattern) and six bobèche with scalloped edges that feature an exquisite grid-like pattern obtained with the "balloton" technique. Exquisite flowers made of crystal and 24k gold brighten the entire piece: on the stems around the central stem, on the pendants that accent the arms, on the finial, and the crown. All metal parts are gold plated. Available in several sizes, contact the Concierge for details.
