Coralla Maiuri

CONFETTI SET OF 2 TEA PLATES

\$360

DESCRIPTION

Inspired by the reassuring and cheerful image of confetti thrown in the air, artist Coralla Maiuri developed this delightful design where polychrome specks seemingly float against a snow-white backdrop handcrafted from the finest porcelain. The set is comprised of two tea plates that will make a superb statement if paired to tea cups from the same series or used as small plates for individually serving pastries to guests. Each piece is truly unique.
