## CONICAL TABLE LAMP

\$2,760

### DESCRIPTION

A unique design that will be an eye-catching addition to a contemporary decor, this table lamp can be paired with the Conical Chandelier for a cohesive look. The round base supports a vertical element shaped as an elongated cone. Entirely made of hand-forged iron with an aged gold finish, the striking curved arms stemming from the top of the structure fall down gracefully, each adorned with an amber-colored sphere. The ivory-colored fabric shade diffuses the light from the two E27 bulbs (max 10W).
