CONO SCULPTURE BY GIANFRANCO COLTELLA

\$1,125

### DESCRIPTION

A rough yet sinuous shape defines this spectacular sculpture by Gianfranco Coltella, a one-of-a-kind piece perfect for adding to a personal art and design collection. A striking interplay of lights, transparencies, and reflections, it is comprised of hundreds of glass tiles spectacularly assembled by hand in its bold silhouette, embellished with an inner LED light.
