**CONO TALL SCULPTURE BY GIANFRANCO COLTELLA**

**\$3,385**

### DESCRIPTION

The magnificent conical shape of this unique sculpture by Gianfranco Coltella is emblematic of a symbolic light rising towards the top of the cone, reminiscent of the Tower of Babel indicating the right path. Deftly handcrafted, it is comprised of hundreds of glass pieces assembled in a singular shape inspired by Egyptian architecture. Enriched with an LED light source.
