CONSOLE WITH MARBLE TOP

\$10,680

## DESCRIPTION

This splendid console, inspired by the bold style of Baroque art, was crafted of solid wood that was carved by hand and finished with an elegant matte black with details in gold leaf. The top is in precious black Marquina marble. A stunning addition to an entryway, study, or living room, this piece is also equipped with two drawers on tracks that provide storage for small, everyday items. A magnificent complement to a classic home, this console can be combined with other objects by the same designer for a complete look.
