## CONTEMPORANEA BALLPOINT IN PADAUK

\$190

### DESCRIPTION

This pen combines exquisite craftsmanship with a modern and sophisticated silhouette, giving it a contemporary allure that is suitable for any occasion. Either in a home, an office, or in a briefcase, this pen will make an elegant statement. The metal shell and blind cap feature a knurled texture that is very pleasant to the touch, while the body of the barrel is covered in Padauk, a splendid wood with coral red hues sourced from Angola and Nigeria, in western Africa. This highly resistant wood has dark orange streaks that makes each pen a one-of-a-kind piece.
