\$5,120

DESCRIPTION

An enthralling interplay of different textures distinguishes the elegant design of this chandelier. The cylindrical, grooved lampshades in transparent glass hosting the 17 tubular LED sources (E14 - min 4W each) are held by metal cylindrical supports that boast a hammered gold-finished surface. The same gold finish enhances the thin ceiling mount and its branches. This exquisite piece can be customized in height, please ask the Concierge for details. Contract and commercial certifications available upon request.
