CONTEMPORARY GOLD WALL LAMP

\$740

DESCRIPTION

Merging the preciousness of gold leaf and markedly contemporary design, this one-off wall lamp would be a superb addition to luxe contemporary interiors. The metal frame enriched by a gold-leaf coating comprises four horizontal, elliptical elements crossing the wall mount at various heights and creating an elegant, asymmetrical interplay of lights and shadows with the four LED bulbs (each G9 and max 3.5W) placed underneath. Contract and commercial certifications available upon request.
