CONTEMPORARY VN1 SILK CUSHION

\$90

DESCRIPTION

This modern and colorful cushion is part of the Contemporary series designed by Vito Nesta. The silk of the front is adorned with irregular dots of different colors that seem to have been drawn by a child. This playful attitude will brighten any setting, especially if contemporary. Particularly striking will be the result, if this piece is paired with others from the same series, to add a dynamic effect on any sofa or sectional (the bottom is covered in cotton).
