## CONTESSA CITRINO OVAL PLATTER

\$330

### DESCRIPTION

Part of the Contessa collection, distinctive for vivid colors applied with the airbrush technique to evoke the splendors of Empire style, this oval platter will make a statement on any occasion. This elegant serving dish was crafted of porcelain and its white background is adorned with a rim sumptuously framed in yellow with gold profiles. The decoration is applied with the delacquering process, in which a pattern is created in negative and the access color is removed with the precision of hand painting. The trim can also be in platinum or the brand's pure white. Please ask the Concierge.
