## CONTESSA INDACO OVAL PLATTER

\$330

### DESCRIPTION

Part of the Contessa collection, a refined series of tableware pieces in porcelain adorned with a decoration inspired by the elegance of Empire style, this oval platter boasts a white background with a delicate turquoise color gracing its rim. The color is applied with the precision of the airbrush delacquering, in which the pattern is created in negative and the excess color is brushed away by hand, leaving room for the gold decoration. This precious accent can also be in platinum or in the signature Richard Ginori white, please ask the Concierge for details.
