CONTESSA INDACO SALAD BOWL

\$365

DESCRIPTION

Part of a stunning collection Contessa of porcelain tableware that will enrich the look of a traditional or classic dining room, this salad bowl can be served with the rest of the series for a magnificent effect or used as a large centerpiece. Its white background is adorned with an elegant turquoise band around its exterior rim, highlighted with pure gold accents, whose warm glow occurs also at the base of the bowl and creates a stunning contrast with the cool hue of the decoration. The precious accents can also be in platinum or white - please ask the Concierge for details.
