GINORI 1735

CONTESSA INDACO SET OF 6 FRUIT BOWLS

\$570

DESCRIPTION

Part of the Contessa collection, boasting a distinctive Empire style-inspired design and a delicate color palette highlighted with precious accents, this fruit bowl will make a statement when combined with the other items in the same refined tableware collection to enrich any occasion. The white porcelain background of this piece features a decorative rim in turquoise color created in negative with the excess color removed by hand with a brush, leaving room for the fine gold trim (this final accent is also available in platinum or in Richard Ginori white, please ask the Concierge).
