CONTRARIER RING

\$1,465

DESCRIPTION

Brimming with refined and precious allure, this contrarier-style ring (15 Italian size) weighs only 2.6 grams and is fashioned of 750% 18K gold. Glistening, VVS-style, and brilliant-cut diamonds - totaling 0.32 carats and distinguished by an H shade - adorn part of the ring's outer surface and its sinuous extremities, which display an intriguing, vaguely rhomboidal shape.
