## CONTRASTI ARMONICI SET OF 4 MUGS

\$170

### DESCRIPTION

An exquisite example of Italian majolica, the four mugs of this exclusive set are in lathed red terracotta that is glazed, painted with metal oxides for a mesmerizing visual effect and fired at 930°. The mugs' curved silhouette is complemented by a captivating carved decoration with the artistic purpose of showcasing contrasting hues of colors in a harmonic, one-off mix as suggested by the collection's name (harmonic contrasts).
