DESCRIPTION

Inspired by an iconic Pineider design from the '90s, this elegant briefcase is crafted of first-rate, tanned leather according to the ancient Tuscan tradition. Its name encloses its versatile potential since the briefcase can be a handbag, an exclusive backpack, or a handy cross-body bag thanks to the removable shoulder strap it comes with. Designed to host a laptop, this design is equipped with an internal and external zipped pocket, one credit card-holder, and a padded diving panel allowing efficient storage. Other colors are available, please ask the Concierge for options.
