COOLERS A BOTTLE BY PIETRO RUSSO

\$910

DESCRIPTION

This striking bottle is part of the Coolers collection, featuring a mix of minimalist designs and precious materials, traditional crafting methods and a contemporary sensibility, and resulting in bottles that are stunning to behold and useful, since they preserve the temperature of the liquid they contain, without the use of ice. In this case, the surface of the piece is in Arabescato marble with horizontal inserts in Marquina marble for a timeless look. Inside, the bottle is in brass-finished glass.
