COOLERS C BOTTLE BY PIETRO RUSSO

\$1,120

DESCRIPTION

Part of the Coolers collection of fine bottles made in the noblest of stones, this piece preserves the temperature of the content inside in the most natural way and completely avoiding the need for ice. The elegant design of the bottle is crafted using traditional methods in Arabescato marble with inserts in Marquina, whose contrasting color create a timeless black and white combination. Inside, the surface of the piece is in brass-finished glass.
