COPPA GREEN BY KARIM RASHID

\$1,620

DESCRIPTION

Designed by LPKW for Purho, this centerpiece was made of mouth-blown Murano glass combining a centuries-old crafting tradition with a contemporary aesthetic for an object of functional decor with strong visual impact. This elegant piece is part of Cubes, a collection of containers and bowls that is modern and sophisticated and adds a pop of pastel color to any room. In this case, the elegant curves of the bowl and its plinth base are in a vivid emerald green.
