COPPETTA - BOWL

\$1,220

DESCRIPTION

This striking bowl was made of pear wood with a series of crossing lines of maple wood on a small plinth base in hammered bronze. A modern take on a home decor staple, this versatile piece features a grooved texture on the outside and a smooth interior. Available also in alabaster with base in hammered bronze, it comes in three different measurements, available also made of pear wood with lines of maple completely smooth inside and outside, on a small plinth base in hammered bronze (Ø 12 x 8 cm, Ø 15 x 10 cm, or Ø 20 x 14 cm), please ask the concierge for details.
