Edi Chirumbolo

CORAL BRANCH

\$2,390

DESCRIPTION

This exquisite sculpture is a stunning celebration of the marvels of the sea. Resting on an exquisite base made of a splendidly carved antique wood with a red color, the sculpture is a branch of coral made of wood painted in a vivid shade of red and stemming from a cluster of real shell with a gold finish. Entirely painted by hand, this one-of-a-kind decoration will enliven equally a coastal decor or an eclectic home.
