CÒRBULAS 90 WALL LAMP BY PIERLUIGI PIU

\$3,910

DESCRIPTION

Còrbulas 90 design Pierluigi Piu is made by intertwining lengths of hay and cane fibers, embellished with brightly colored brocade and wool inserts that create simple geometric or local flora and fauna inspired decorations. In the olden days, in Sardinia, they decorated farmers' houses by hanging groups of baskets together on the walls. This project uses this secondary use as its subject.
