CORNELIUS CANDLE HOLDER IN MARQUINA MARBLE

\$640

DESCRIPTION

This elaborate candle holder showcases a tall rounded base in cypress wood with a delicate marble top in black Marquina marble. Arranged in a star-shaped configuration, circular notches grace the surface, effortlessly holding the candles into place. The rich combination of textures and colors infuses the piece with understated elegance and allure. Incredibly versatile, this refined candle holder doubles as a Pentalpha game and as a lavish centerpiece that will fit perfectly in a modern dining room decor.
