CORNER CUPBOARD WITH GOLD LEAF

\$4,440

DESCRIPTION

A magnificent piece of furniture for a classic home, this corner cupboard is a versatile addition to any room in the house, providing precious storage combined with charm and sophistication. It was crafted of solid wood and given a stunning gold leaf finish. The two open compartments at the bottom are ideal to display small collectibles, while the drawer above can store everyday trinkets. The top is a triangular slab of black Marquina marble that strikingly complements the warm glow of the gold finish.
