### CORNICE FLOREALE SMALL LEATHER ALBUM

\$185

#### DESCRIPTION

This sophisticated album will store memories in an elegant, timeless book whose cover is made in the finest brown leather with a striking handmade decoration that runs all round the edges of its front cover resembling a delicate floral garland. Inside, the paper flyleaf was hand decorated with the marbling technique that creates marble-like colorful streaks onto the surface. There is a total of 20 pages in the album.
