**COROLLA 270 WHITE ARMCHAIR BY CRISTINA CELESTINO**

**\$2,375**

## DESCRIPTION

An intricate, tone-on-tone pattern accents the singular tailored flair of this luminous armchair, richly padded and upholstered with white fabric (Golena 2616) all along the seat and enveloping backrest/armrests. The scalloped edge marking the seat's lower profile and the sinuous design of the legs explain the piece's name inspiration. The structure is crafted of whitened, solid beech for optimized solidity. The seat is 48cm high.
