COROLLA 271 TEAL ARMCHAIR BY CRISTINA CELESTINO

\$3,165

DESCRIPTION

An ode to nature actualized in a contemporary design, this armchair in walnut-finished beech owes its name the scalloped edge accenting the shell's lower profile and the sinuous shape of the legs. Equipped with a lumbar cushion for impeccable comfort, it makes the user feel pampered thanks to the enveloping design of its 44cm-high seat upholstered with a patterned upholstery blending a light backdrop with an intricate teal motif.
