## COROLLA FRIDA SET OF 2 MULTICOLOR PILLOWS

\$145

### DESCRIPTION

Part of the romantic Corolla Frida Collection, this set of two pillows makes for a delightful addition to a feminine bed throw set. The inner, plush cotton padding is wrapped by a superb upholstery, which flaunts a checkered pattern along the edges and an intricate floral motif surrounding three central flowers that emerge from a square, pink backdrop. The print is carried out following the artisan block print technique.
