CORRISPONDENZA TILES BY DIMORESTUDIO

\$480

DESCRIPTION

This collection of tiles was designed by DIMORESTUDIO both for floors and interior walls such as bathrooms or backsplashes in the kitchen. The pieces are entirely made of stoneware with a porcelain finish whose opaque surface is sophisticated and modern. There are 7 different decorations in delicate pastel colors that are harmoniously combined to create asymmetrical geometric patterns with a retro allure. Each pack contains 30 pieces. The individual tile is 20 x 20 cm (7 mm deep).
