CORTINA 3-PANEL SCREEN

\$8,640

DESCRIPTION

This magnificent screen will add a mesmerizing decoration in a modern interior while serving as a textural accent in the corner of a room, or as a divider in a large room. Crafted entirely of wood using an innovative method that creates a three-dimensional effect, this screen is made up of three panels with modular elements stacked one on top of the other. The hexagonal motif is repeated in the half-carved outline and the elongated frame of each module, creating a statement piece that will not go unnoticed. This piece is available in various types of wood and finishes.
