## CORTINA SIDEBOARD

\$6,960

### DESCRIPTION

Part of the Cortina Collection, this sideboard is a striking decorative addition to a modern or rustic-chic interior. Its structure is crafted entirely of wood, boasting a unique grain throughout and particularly in the three front panels. These mesmerizing pieces are carved with an innovative technique to obtain a three-dimensional effect in the geometric decoration. It is available in other measurements with various types of wood and finishes, please ask the Concierge for details.
