CORTINA TALL COFFEE TABLE

\$3,625

DESCRIPTION

Part of the Glass&Wood collection, this modern and sophisticated coffee table rests on a structure that is comprised of three metal legs. The round top is made of two layers of glass that enclose a section of tree slice. The wood adds a warm, one-of-a-kind natural decoration to the piece, and the metal legs can be customized in a variety of finishes, including those that match the color of the wood at the top.
