COSMOPOLITAN CABINET BAR WITH FRIDGE

\$28,690

DESCRIPTION

A magnificent addition to a modern home, where it will be eye-catching and functional at the same time, this cabinet bar rests on a structure in bronzed brass with curved corners. The piece is in precious ebony macassar with a matte varnish. Its standout element is the superb decoration of its handles in opaque-finished horn and bronzed brass. Inside, the piece has a wood interior in tangerine with a matte finish and is equipped with glass holders and a fridge. Other finishes and dimensions are available - please consult the Concierge.
