COSTE STRIPED VASE

\$360

DESCRIPTION

Part of a series that draws inspiration from nature's sinuous and beautiful forms, this vase is named after the embossed ribbed pattern ("coste" in Italian) and striped painted decoration that marks its silhouette. Exquisitely handcrafted of ceramic following traditional techniques, and also painted and finished by hand with a water-color crystalline effect, this piece is a one-of-a-kind that will elevate the look of a console, table, or shelf with elevated sophistication.
