## COUPLE OF BIRDS BY ALDO LONDI

\$410

### DESCRIPTION

Designed by Aldo Londi as part of the Arkitektura Collection, this set of two white birds is a stunning decorative addition to any interior. These classic mid-century sculptures boast a white glaze overtop the white clay and have an iron base that evokes the long legs of a seagull. The bases have a height of 27 and 35 cm with a square support. This exquisitely simple yet highly decorative set makes a thoughtful gift for an art connoisseur.
