### COUPLE OF FISHES BY ALDO LONDI

\$410

#### DESCRIPTION

Part of the Arkitektura Collection designed by master ceramicist Aldo Londi, this set comprises two decorative objects made of white clay with a white enamel glaze in the shape of two fishes. A black-finished iron base with a square support and two rods measuring 20 and 32 cm in height complete the piece. These ceramic sculptures will create a simple and elegant display in a modern living room or studio decor.
