Royal Trunk

COURMAYEUR TRUNK

\$16,700

DESCRIPTION

This exquisite trunk evokes the design of the roaring twenties and can be displayed at the center of a room. The structure is in poplar wood with wheels at the base for easy mobility and the exterior is covered in leather. The interior contains eight drawers featuring "blumotion" shock absorption system, in Italian walnut wood with a polished finish (a microfiber lining can be added). All the handles are in full brass with gold and nickel finish.
