## COUTURE BROWN POUF WITH GEOMETRIC FRINGE

\$1,750

### DESCRIPTION

Reminiscent of tribal motifs, this pouf brings a touch of haute-couture to a classic object of home decor. Showcased in a living room, lounge, or walk-in closet, this tall pouf is made of beech wood with a padded cushion seat upholstered in sumptuous black velvet. The bottom half boasts a geometric, color-block pattern fashioned of multi-color fringe painted by expert craftsmen. The layers of alternating white-and-pink fringes accented with orange and black fringes elegantly contrast with the black cushion for a visually harmonious finished product. Each bespoke piece is stamped at the bottom of the lining of the pouf, signed, numbered and dated personally by the designer Lorenza Bozzoli. The original authenticity of each product highlights the artisanal quality and the art of a luxury dedicated design.
