COUTURE GEOMETRIC DECO' OTTOMAN

\$2,220

DESCRIPTION

This Art Deco-inspired ottoman is entirely upholstered in velvet made of acetate (53%), polyester (42%), and viscose (5%). It stands out for its bright colors and sophisticated geometric pattern: the cover comprises a solid orange top and fringes in complementary salmon pink, pink, and gold that bestow a lively and alluring accent to the cream-colored base. This velvet pouf was introduced at the Salone del Mobile Milano in 2019 and is customizable, please ask the concierge for details. Each bespoke piece is stamped at the bottom of the lining of the pouf, signed, numbered and dated personally by the designer Lorenza Bozzoli. The original authenticity of each product highlights the artisanal quality and the art of a luxury dedicated design.
