COUTURE GEOMETRIC WIEN BENCH

\$4,100

DESCRIPTION

Striking for its vibrant colors, this cotton velvet-upholstered Art Deco-inspired bench adds a sense of movement and sophistication to a refined interior. The continuity of its geometric pattern, bestowed by the handcrafted fringes hanging from the black and refined upholstery, suggests dynamism. A classic tone is introduced among the fringes' choice of color: burgundy, purple, azure blue, and dust pink squares merge together, for an ideal fit in a living room or study. This piece was introduced at 2019 Milan Design Week and it is customizable, please ask the Concierge for details. Each bespoke piece is stamped at the bottom of the lining of the pouf, signed, numbered and dated personally by the designer Lorenza Bozzoli. The original authenticity of each product highlights the artisanal quality and the art of a luxury dedicated design.
