COUTURE LIGHT BLUE POUF WITH GEOMETRIC FRINGE

\$1,995

DESCRIPTION

Marked by original design and vibrant colors, the tall and slender beech wood frame of this pouf supports the seat cushion, filled with synthetic padding and upholstered in a delicate light blue velvet for a long-lasting, soft feel. The bottom half boasts a geometric, block-color pattern recalling tribal motifs composed of hand-loomed and painted fringe. Layers of long light-blue fringes contrast with panels of bold pink fringe shaped as downward-pointing pentagons flanked by orange and black fringe, infusing the piece with dynamic movement and textural contrast. Each bespoke piece is stamped at the bottom of the lining of the pouf, signed, numbered and dated personally by the designer Lorenza Bozzoli. The original authenticity of each product highlights the artisanal quality and the art of a luxury dedicated design.
