### DESCRIPTION

Ethereal and timeless, this exquisite couture pouf will be a delicate accent in a springtime patio deck or walk-in closet. Perfect for sitting or holding trays, the round silhouette is fashioned of beech wood and padded with a synthetic filling for enduring comfort. The seat cushion is upholstered in velvet with a unique sea foam-green velvet, the same color echoed in the hand-loomed fringe. A superb gold-thread accent borders the bottom edge of the cushion, the combination of colors and textures creating a breathtaking piece of functional decor. Each bespoke piece is stamped at the bottom of the lining of the pouf, signed, numbered and dated personally by the designer Lorenza Bozzoli. The original authenticity of each product highlights the artisanal quality and the art of a luxury dedicated design.
