CRAB ROSEWOOD SIDEBOARD

\$9,370

DESCRIPTION

A refined sideboard with a classic silhouette and a visually striking presence, this meticulously crafted piece from the new Crab collection was introduced at Salone del Mobile during 2018 Milan Design Week. This sideboard is characterized by a unique base composed of four elements that grasp the sides of the unit and can rotate to increase its height from 73 to 82 cm, adapting it to any interior needs. Crafted of rosewood with natural finish, the rectangular frame has four doors, one of which finished in lighter color. The interior offers generous space for effective, organized storage in any room.
