CRACKLÈ SET OF 2 DENIM GLASSES

\$200

DESCRIPTION

The Cracklè Collection includes glasses and vases enhanced with a crackle accent that adds an extra layer of interest to the simple shapes of mouth-blown Murano glass. This set of two, tumbler-shaped glasses sports an alluring blue color with shimmering white swirls created with the ancient Venetian "ghiacciato" technique, from the Italian word for 'ice', as the effect is obtained by immersing the hot glass in cold water. The end result is extremely alluring and, due to the artisan nature of the process, color variations are to be expected and add to the unique charm of each piece.
