CRANES HANDPAINTED WALLPAPER

\$660

DESCRIPTION

The design is based on the research of Italian artists and implemented by the skilled hands of Chinese artisans. The design reprises a Japanese image from the 17th century showing a flock of cranes walking on the ground. The design may differ depending on the number of panels required. The minimum order per panel is W90 x H270 cm. Price is per square meter. Please ask Concierge for customization.
