## CREAM LEATHER ROUND PLACEMAT

\$510

### DESCRIPTION

Combining a simple round shape with exceptional materials and contemporary decorative laser cutting, this placemat is a timeless piece of functional decor that will add elegance to any table. Crafted of genuine cow leather in a delicate cream color, this piece showcases a rose window-inspired design with a concentric series of circular crowns, decorated with geometric lines that prepare the setting of the central wheel with a classic flower shape. This piece is appropriate in any Décor, from yachting to residential, and for any occasion, from casual to formal entertainment.
