CREDENZA CABINET BY PATRICIA URQUIOLA AND FEDERICO PEPE

\$29,140

DESCRIPTION

Part of the Credenza collection, this tall cabinet will make a statement in a modern living room or dining room, thanks to its masterful craftsmanship, unique shape, and bold color combination. The structure is in lacquered metal colored in a rich shade of red and comprises four connected legs supporting a vertical ellipse. The striking front panel is made of stained glass that is reminiscent of the windows made by Gerhard Richter for Cologne's Cathedral. A stunning mix of tradition and innovation, this piece can be combined with others from the same collection.
